Professional Summary

Aspiring React.js Developer with a Master's degree in Computer Applications and a strong foundation in front-end development. Experienced in building responsive, user-centric web applications using HTML, CSS, JavaScript, Bootstrap, and React.js. Proficient in creating interactive UI components, integrating APIs, and managing application state. Eager to contribute to dynamic teams and deliver innovative, scalable solutions. Strong communication skills and a passion for continuous learning in modern web technologies.

Key Skills

Web Development

React JS | JavaScript (ES6) | HTML5 | CSS3 | Bootstrap |
Git/GitHub | REST APIs | MySQL | Jira |
Agile Scrum | Sql queries

Projects

Zee5 Clone – OTT Streaming Platform

React, CSS, Firebase

- Designed and built a video streaming website similar to Zee5 using React.
- Used Firebase Authentication to allow users to sign in securely.
- Added video player UI to stream 120+ demo videos with smooth playback.
- Stored all data (videos, users) in cloud Firestore.
- Deployed the project using Firebase Hosting.

CookEase – Home Food Delivery Website

React.js, Tailwind CSS, Context API, Node.js

- Built a home food delivery website to display homemade dishes with images, names, and categories.
- Added a search bar to find dishes by name and a category filter to sort food types.
- Used Tailwind CSS for a clean, responsive design suitable for all devices.
- Managed state using React Context API for seamless user experience.
- Future scope includes Node.js backend integration for order management.

INTERNSHIP Experience

10/2024 – 04/2025

Pune

Web Development Intern

SK Bit Software Solutions Pvt. Ltd.

- Collaborated with the development team on front-end features using HTML, CSS, and JavaScript.
- Contributed to UI improvements and optimized website layouts for better responsiveness.
- Worked under the guidance of senior developers and was appreciated for punctuality and dedication.
- Demonstrated initiative in handling real-world project tasks and completing them on time.

02/2024 – 05/2024
Pune

Functional Testing Intern

Assetrak Solutions Pvt. Ltd.

- Worked on functional testing of a Flutter-based mobile application for asset management.
- Collaborated with QA and development teams to test core modules and report bugs.
- Gained hands-on experience in mobile app functionality, bug tracking, and teamwork.
- Recognized for quick learning and successful completion of assigned testing tasks.
